ASSOCIATION OF WORLD COLLEGES & UNIVERSITIES
STATEMENT OF PURPOSES

To provide means for intercommunication among colleges, universities, and post-secondary institutions or research centers which are working toward a global view in education.

To provide means whereby world-minded persons, particularly teachers and resource people, can exchange knowledge and experience in cultivating a global view of education.

To assist members to a clearer understanding of the role of education in developing a creative and harmonious world community.

To edit and publish a JOURNAL OF WORLD EDUCATION.

To assist members with educational resources.

To promote research related to world education.

To foster, through the concept of a world university, concern for the advancement of humanity.

For list of other publications, write to address below.

Please send $1.00 for each back issue requested and include postage of 8¢ per item with order.
